**THANK
YOU!!**

A quick note of sincere THANKS to all who attended our Food & Wine Tasting event this past Thursday night at Leonard's Palazzo of Great Neck!

The event was a *GREAT SUCCESS*, thanks to the generosity of our guests, families, sponsors and of course the restaurants, breweries and wineries who donated the food and drink. For all who were there, we hope you tremendously enjoyed the delicious variety of food and drink available and will support future SLCD Food & Wine Tasting Events! Please patronize our food and drink sponsors and know that your gifts will go far toward making the lives of our children and those in the ABLE program better!
